In this collection, today's most acclaimed award-winning and bestselling authors reimagine Published October 22nd by Little, Brown Books for Young Readers (first . My ARC of Rags & Bones was sent to me by the publisher through .. favorites, short-stories, science-fiction, fairytale, gothic, anthology, retelling.

Want to know about Ireland now? Here are the books to read

Tales from Earthsea is a collection of fantasy stories and essays by American author .. I'm not a natural target when it comes to fantasy/sci-fi but I do appreciate and "The Bones of the Earth" was probably my favorite story of five, brief and mechanical, a conscious effort to right perceived wrongs in the earlier novels.
