China's export driven economy is starting to feel the impact of the economic slowdown in the United States and Europe, and the government has already cut key interest rates three times in less than two months in a bid to spur economic expansion. Subject Coverage Suitable topics include, but are not limited, to the following: Fresh minds such as Gudjon Mar Gukdjonsson ponder promising strategies to revive Iceland's economy. Jeffry A. Therevelation prompted credit rating agencies to downgrade Greece. Capitalism is indeed at a crossroads today. At the same time, economies like Brazil will be oversaturated with capital seeking higher returns, leading to risks of a bubble. This is a preview of subscription content, log in to check access. The goal of the workshop is to discuss the methods, sources, and epistemological challenges involved in assessing the role of female economists in the history of Latin American economics.
