Moshe Arens has emerged as a pioneer historian in his account of the Warsaw Ghetto Uprising. OverGhetto residents died due to rampant disease or starvation, as well as random killings. Now, we have a new book by Moshe Arens, former Israeli Defense Minister, Foreign Minister. But that is not the author's point; he just wants to set the record straight in the face of what he says has been a deliberate attempt to manipulate the historical record for political purposes. As with so many books about the holocaust, it can make for some strange reading. Retrieved 18 April 2011. The Nazis had to deploy artillery, armored cars and hundreds of soldiers to storm the ghetto. Most accounts have either been written about either one organization or the other, or more importantly about the ZOB, while completely ignoring the major role of the ZZW. By the end of ghetto inhabitants learned that the deportations were part of an extermination process.
