We continue to teach whoever is present at the time and with the morning timeslot we now have, there is better attendance, but there are still lessons when only 5 boys are present and others when as many as 19 appear! There are comprehensive Teaching Notes available for all of Anna's books. The gompa was made of a dozen or so buildings painted red and white and connected by prayer flags like telephone wires laden with electricity.

And as I have heard, he is very quick, too quick perhaps, to provoke into using information; And you got a big crowd. I wouldn't mind dying. The weather co-operated and luckily there were almost no other tourists on the beach so we could spread out and capitalise on the waterfront shaded zones as well as the best swimming spots.
