He is widely credited with developing the cap-and-trade model that led to dramatic reductions in sulfur dioxide, the leading cause of acid rain, in the U. Here is a world view, a balanced presentation, covering more aspects of the problem of dictatorship than have been brought together in any other single volume. Jerome A.

Dictatorshipanddemand:thepoliticsofconsumerisminEastGermany. Considering that for a long time Russians generally thought of Germany as a quasi-paradise of the good life, and that the USSR's master plan was to ship its raw materials to East Germany and get top-quality manufactured goods in return for its own citizens, the fact that Russians had to tell Germans to pull their act together on the consumer front ought to tell us how bad the situation in East Germany for consumers really. Seung Wha Chang, S. Professor J.

Inthispubliclecture,Mr.Pricesaresubjecttochangewithoutnotice.Unif and subsequent federal policies led to serious economic hardships for many East Germans that had not existed before the Wende.
