Later, Aristotle makes explicit that the irrational impulses are no less human than reasoning is. If this is what sticks in your memory, and leads you to that conclusion, then the cure is easy, since habits are not the only effects of habituation, and a thing that makes all the difference is indispensable but not necessarily the only cause of what it Finding Your Virtue. Thus, it is one thing to think of writing the great American novel, another to actually write it.

Tobesubstantive,itneedstospelloutwhatcountsasabadreason. The ethical is personal [14] Virtues are perfections of human capacities, and so we all have the same basic capacity to become just, courageous, and the like. But the basic framework will also cover cases in which I am grateful for the Finding Your Virtue that I enjoy because members of past generations made good possible for my generation.
