Gabriel is also the kind of employee that every employer wants. The only emotions that this book evoked for me were boredom and annoyance. It may not be as bright as Troy's passion, or loud as Boldwood's insane self-love, but it is never wavering in its steady stream of purity. And, more importantly, does she love him? He asks her to marry him, but she refuses because she does not love. The novel is a masterpiece, but not an easy one for a dramatist to get a handle on.
