I observed and was greeted by teachers around the school, but most bizarrely I achieved something akin to celebrity status in the eyes of the children without actually doing. While the survey was promoted equally in both years, a much lower response rate was secured in

Educationalresearch:Anintroduction8thed. Brownell, M. He also seeks to improve the mentorship that teachers receive in their first year of teaching, which he says is virtually nonexistent in parts of his state. Just as the case with teacher reflection, teacher development and empowerment should not be viewed as ends in themselves.
