Just trying to understand While there's nothing wrong with having a fetish, it is never okay to cause harm to another person or .

I think slowing letting your fetish out of the bag is better. As others have mentioned. The only thing he's done is he'll kind of play footsie with me if we're cuddling or something and he's taken my shoes off for me. You've got a point re the foot rubs. Of course I didn't come right out and ask him about it but told him one night that I was painting my toes and asked his opinion on colour choice, he told me he likes dark toes and then went on to admit he likes sucking on toes. Copyright is it normal. Why dont you start out slow and complement her feet once in a while, and perhaps she'll catch on.
